

The Snug

at Societi Bistro

AUDIO VISUAL GUIDE

Reserving The Snug at Societi Bistro exclusively for your event offers the use of our in-house music soundbar, playing your personal music in the background. In Addition the flat screen TV above the fireplace can showcase your presentation, play your birthday slideshow or party themed content.

Please ensure to use this guide to prepare your music or TV media well in advance. We strongly suggest arranging a test with your equipment, own cables and connections prior to your even.
